

2007 VELVET COLLECTION

The 2007 vintage Velvet Collection is a blend of 86% Cabernet Sauvignon, 9% Cabernet Franc, 3% Merlot and 2% Petit Verdot. This blend of the traditional Bordeaux red varietals produces a wine of great structure and taste. The barrel aging regimen is evident in the well integrated aromas of French oak with the complex blend of grape flavors. Mouthfeel is medium-bodied and balances well with the fruit, acid, and tannins. This wine will age very gracefully for many years to come for those who are patient, yet can be enjoyed in the near term without remorse.

Wine Analysis:	Alcohol:	14.2 %
	Total acid	0.61 g/100ml
	PH	3.75
