

2010 NORMA JEANE WINEMAKER'S NOTES

The 2010 vintage NORMA JEANE has been bottled and is currently available for immediate release.

Grapes:

The wine is a blend of 95% Merlot and 5% Syrah from coastal vineyards in California. Blended in early January and bottled the second week of February 2011 the wine is young, but has a finished taste and appearance.

Winemaking:

Wanting to make a "Young Merlot", but not a nouveau wine we gave ourselves an extra three months to polish the finish. The results are more "winey" and deliver a youthful and fresh approach to Merlot for immediate enjoyment.

Wine:

Alcohol:	12.5
Acid:	0.55
Ph:	3.80
RS:	0.25

Winemaker's notes:

The 2011 Norma Jeane is ruby in color and the aromas of ripe cherry and blueberries abound. The fruit flavors are bright and lively and the taste is refreshingly light.
